Dear Richard

Thank you for resolving the few outstanding issues, and especially your help with the fridge door. This very much appreciated.

On behalf of Catherine and I, I would like to express our thanks to you for your dedication to this project, not only following our order, but all the work prior when you stuck at it until we got the design and spec right. It has been a pleasure to work with you and with Arlington Interiors.

Now the final items have arrived, I will prepare the outstanding balance for collection today.

Kind regards and best wishes
