

Dear Ian, Nick, & Richard,

Just a note  
to thank you all for all the  
hard work to make our kitchen  
look fantastic! You all performed  
above and beyond the call and  
you have restored our faith in  
human nature.

Thanks again

Regards

David & Kay Tinker.

The plant you covered says  
thanks!)

fridge & freezer have never  
looked so good!)

To Ben & Mike for listening to our
